

MODERN PACKAGING

INDEX TO VOLUME 26

SEPTEMBER 1952 TO AUGUST 1953

GENERAL ALPHABETICAL INDEX

| A | | Month | Page | | | Month | Page |
|---|--|----------|------|--|--|-----------|------|
| ACETATE | | | | AEROSOLS | | | |
| "Nylon" Toothbrush containers; Weeco Products Co. (Dr. West's "25" Toothbrushes) | | August | 178 | Aerosol output triples; survey of Chemical Specialties Mfrs. Assn. | | July | 192 |
| Opaque acetate wrap; Printon Corp. | | December | 162 | Aerosol safety plug for Spray can; Acrolite International. | | March | 110 |
| Transparent acetate pieces used in packaging carried items. | | January | 87 | Aerosol valve; widening field of products which may be packaged in pressurized containers; The Valve Division, The Risdon Mfg. Co. | | April | 218 |
| Acids. See Chemicals. | | | | Boom in aerosols; survey. | | December | 91 |
| Acrolite International | | | | Bug bomb aerosol; development, use, production, promotion; Bridgeport Brass Co. and others. | | May | 94 |
| Aerosol safety plug for Spray package. | | March | 110 | First glass aerosol; Zonite Products Corp. (Larves "Finger-Tip Spray"). | | January | 90 |
| Acushnet Process Sales Co. | | | | Glass aerosol container; Wheaton Plastics Co. | | June | 158 |
| Snap-fold display box for golf balls. | | February | 118 | Glass aerosol package developed by Bristol-Myers Glass aerosol. | | February | 80 |
| ADHESIVES | | | | Metal aerosol package. | | January | 86 |
| Adhesion problems of the user; Carr H. Parsons. | | December | 140 | Three types of aerosol valves (Tilt-Top, Touch-Top, Twist-Top); Oil Equipment Laboratories. | | August | 128 |
| Casein ice-proof label glue; National Adhesives Div. of National Starch Products, Inc. | | June | 166 | Air-conditioning in sugar plant; Godchaux Sugars, Inc. | | June | 123 |
| Check-list of packaging adhesives and their uses. | | June | 141 | ALCOHOLIC BEVERAGES | | | |
| Dehydrated-glue processing machine. | | May | 149 | Bev. with a head that flows endlessly; motor-operated point-of-sale display; San Francisco Brewing Corp. | | August | 115 |
| Engineering the adhesion operation. Frank C. Campins (Polymer Industries, Inc.). | | December | 146 | Bootleggers curbed; sealing bands sold only to licensed distillers. | | October | 195 |
| Evaluation of heat-seal adhesives; laboratory procedures. Harold Witteoff and Dwight Peerman (General Mills Research Laboratories). | | November | 135 | Cellulose band closures. | | August | 78 |
| Fast-setting, resin-type emulsion for use as seam adhesive on sack-bell-bottom bags; National Adhesives Div. of National Starch Products, Inc. | | August | 130 | Changing contours: round bottles vs. decanter type (Calvert Distillers Corp.); round pint vs. flat pint (Publinter Industries, Inc. and subsidiary; Kinsey Distilling Corp.). | | October | 128 |
| Glue problem with precision labeler; Solskin Co. | | March | 94 | Cocktail product in bottle with bend and set-up box designed to bend with bottle; Gale, Lister & Co., Ltd. | | March | 106 |
| Hand dispenser for glue; Fibreco Illinois Corp. | | February | 142 | Gift packaging; Sherry Wine & Spirits Co. | | May | 101 |
| Heavy-bodied emulsion-type adhesive for adhesion of Pliofilm to porous surfaces; Federal Adhesives Corp. | | May | 138 | Gift wines; decorative packaging by California vintners. | | May | 114 |
| Laminating adhesive for polyethylene; Lyndhurst Chemical Corp. | | March | 134 | Lifting the sales curve; two-product Summer Home Bar carton; Calvert Distillers Corp. | | July | 122 |
| Machinery manufacturer's viewpoint. Richard Wellbrock New Jersey Machine Corp. | | December | 141 | Mobile displays. | | November | 108 |
| Paper labels adhere to polyethylene containers with Poly-Grip (Adhesive Products Corp.). | | March | 136 | Multi-flavor filler; Garrett & Co., Inc. (wines). | | December | 122 |
| Role of user, machine manufacturer and supplier in selecting adhesives. George W. Gray. | | December | 141 | New beer label stresses initial; Weber Waukesha Brewing Co. | | November | 113 |
| Selection and efficient handling of adhesives. William Seiderlund (National Adhesives Div. of Natl. Starch Products Corp.). | | December | 141 | Scotch whiskey carton with authentic Highland fling; Chivas Bros. Import Corp. | | November | 110 |
| Specially formulated adhesive for use with corner lap gluer; National Adhesives Div., National Starch Products, Inc. | | February | 143 | Sound film; Kibitzing Canned Beer Sales; American Can Co. | | April | 250 |
| Variables in purchasing adhesives for paper converting. Wm. J. Rice (Central States Paper and Bag Co.). | | December | 141 | Stock half-gallon wine bottles with merchandising and re-use appeal; Owens-Illinois Glass Co. | | December | 163 |
| Water-resistant case-liner adhesives; Paisley Products, Inc. | | December | 166 | Swedish designers' ideas for wine-bottle labels; contest sponsored by Swedish Liquor Monopoly. | | January | 107 |
| ADVERTISING AND PUBLICITY | | | | Taylor's wines; packaging and merchandising. | | November | 94 |
| Display Gallery. See Table of Contents, page 2 of MODERN PACKAGING each month. | | December | 109 | Timely message with fluorescence window display of Calvert Distillers Corp.'s Carstairs White Seal blended whiskey. | | July | 116 |
| Glamour methods; Prince Matchabelli, Inc. | | December | 110 | Alcowax (wax-like polymer); Semet-Solvay Div., Allied Chemical & Dye Corp. | | January | 148 |
| In-pack premiums; Economics Laboratory, Inc. (Sollax). | | August | 98 | Alka Seltzer bundles; Miles Laboratory, Ltd. | | February | 120 |
| Pictorial printing on corrugated; advertising impact to shipping case. | | August | 184 | Aluminum Foil. See Foil. | | | |
| Plastic box premiums; rejuvenation of winter ice cream sales; Mayfield's Creamery. | | October | 98 | American Can Co. | | | |
| Premiums in Cracker Jack packages. | | March | 91 | Color motion picture, "The Miracle of the Can." Emergency shipment of tinplate to avert can shortage during steel strike. | | March | 164 |
| Radio: | | February | 94 | Sound film; Kibitzing Canned Beer Sales. | | October | 195 |
| Minute Maid frozen juice concentrates. | | March | 174 | Timeless oil can (all-steel, with thermoplastic cemented side seam). | | April | 250 |
| Mueller's macaroni products. | | January | 102 | American Cigarette & Cigar Co. | | May | 186 |
| Television: | | | | Safe-guard clears out of humidifier; individual glass tubes with polyethylene stoppers. | | September | 124 |
| Gabby Hayes TV show for Minute Maid lemonade concentrate. | | May | 92 | American Rack Merchandisers, Inc. | | July | 82 |
| General Electric Co.; Fred Waring show. | | October | 188 | Distribution of non-food products in supermarkets. | | December | 186 |
| Gracious Foods Co.; package molded butter or margarine. | | February | 94 | American Society for Testing Materials. | | October | 137 |
| Movie Quiz Quiz (Cracker Jack Co.). | | April | 292 | Author-subject index to technical papers and reports appearing in ASTM publications, 1898-1950. | | September | 116 |
| Mueller's macaroni products. | | April | 219 | Test methods for plastics; proposed adaptation by Packaging Institute. | | September | 109 |
| Stoptette spray deodorant (John Daly's "What's My Line?"). Jules Montanier, Inc. | | June | 4 | American Sugar Refining Co. | | | |
| Television commercials; package design effects. | | | | Domino sugar; packaging history; merchandising operations. | | | |
| "3-D" packages; promotion of Bennett food products; Recipe Foods, Inc. | | | | American Tobacco Co. | | | |
| Travelling billboards; advertising value of colorful shipping containers (ed.). | | | | Plug-in tobacco tin for Half and Half pipe tobacco. | | | |
| | | | | AMPOULES | | | |
| | | | | Combination filler-sealer for processing ampoules and vials by pharmaceutical industry; Popper & Sons. | | June | 166 |
| | | | | Table-model ampoule sealer; Popper & Sons, Inc. | | January | 140 |

| | Month | Page |
|---|-----------|------|
| Apparel. See Clothing. | | |
| Arm & Hammer brand goes to drug department; Church & Dwight Co., Inc. | March | 97 |
| Armour & Co. | | |
| Meat products; packaging history, 1877-1953. . . | June | 112 |
| Non-meat products. | June | 117 |
| Armour Laboratories | | |
| Laminated pouch for aspirin ("Crystal"-for children). | November | 112 |
| Arner Co. | | |
| Blow out the empty! Package inspection function. | January | 126 |
| Arrow Lightweight Shirt display in dimensional "cakes-of-ice" (vinyl plastic). | June | 133 |
| Associated Brands, Inc. | | |
| Decals automatically applied on bottles of Kid-metics children's toiletries. | December | 101 |
| Associated Seed Growers | | |
| Pre-packaged vegetable seeds. | June | 224 |
| Atlantic Coast Fisheries Co. | | |
| Hard-to-fill answer; machine to feed and fill fish fillets. | September | 147 |
| Atomic Age! packaging of radioactive materials; Discussion at Packaging Institute Forum. | December | 133 |
| Audit Bureau of Circulations | | |
| Three little letters (ABC); Modern Packaging membership (ed.). | September | 4 |

AUTOMOBILE SUPPLIES AND PARTS

| | | |
|--|--------|-----|
| Packaging of odd-shaped parts. Carroll W. Evans (The Studebaker Corp.). | June | 145 |
| Pre-engineered shipping package (wire hub caps); Calvevar Co. | August | 107 |
| Unit packaging for the assembly line; Tarnstedt Division of General Motors Corp. | June | 126 |
| Aziza Eye Cosmetics, Inc. | | |
| Double-wall poly jars for Eye Cream and Mascara Remover Pads; sales and eye appeal. | June | 105 |

B

| | | |
|--|-------|-----|
| Baby-feeding equipment. See Infants' Supplies. | | |
| Bag flattener, power-driven, for packaging dehydrated alfalfa, flour, meats, chemicals, etc.; Fowler-Curve Conveyor Co. | April | 216 |

BAG-MAKING MACHINES

| | | |
|--|-----------|-----|
| Automatic bag former, filler and sealer (Simplex-O-Matic); Simplex Packaging Machinery, Inc. | April | 109 |
| Film bags with reinforced tops produced on Renka machine developed in Holland. | August | 138 |
| Printer-former-filler for bags or cartons; Fr. Hesser Maschinenfabrik-Aktiengesellschaft. | September | 164 |
| Stacker-counter attachment; Simplex Packaging Machinery, Inc. | March | 128 |
| Tear-tape attachment adaptable to all cellophane bag-making machines; Simplex Packaging Machinery, Inc. | May | 138 |

| | | |
|--|----------|-----|
| Bagpak Div., International Paper Co. | | |
| Brochure specifying proper multiwall bag for a variety of products. | December | 188 |

BAGS

| | | |
|---|-----------|-----|
| Bag for evaporated apple slices. | June | 156 |
| Glassine bags for water sandwich pack for ice cream. | March | 80 |
| Kraft-laminated-to-sulfolite bags as water-vapor barriers in shipment of dehydrated apple slices; General Mills. | October | 202 |
| Mechanization milestone; transparent bags for dried fruits; Mayfair Packing Co. | March | 73 |
| Overcoming duplex bag breakage. | October | 142 |
| Packaging yarn hanks. | March | 124 |
| Printed cellophane-polyethylene bag for orange juice (frozen concentrate); Walgreen Drug Stores. | September | 110 |
| Testing film bags for leaks. K. H. Hu and A. I. Nelson. | August | 124 |
| Tubular jute bags. | February | 186 |
| VCI-lined cushioned bags to safeguard metal parts from rusting and corrosion; Jet-Pak, Inc. | July | 138 |
| See also Cellophane Bags; Paper Bags; Polyethylene Bags; Textile Products. | | |
| Baked Goods. See Food Packaging-Bakery Products. | | |
| Bakelite Co. | | |
| Booklet: Bakelite Polyethylene. | April | 250 |
| Booklet: Condensed Reference File of Bakelite and Vinylite Plastics and Resins. | November | 187 |
| Krene film and sheeting. | August | 165 |
| Pamphlet: 1953 Guide to Improve Packaging with Bakelite and Vinylite Plastics and Resins. | December | 188 |
| Technical Release No. 12; specifications, formulations and uses of Vinylite Resin VMCH as surface coating. | March | 165 |
| Baker Boy Industries, Inc. | | |
| The old-fashioned look; package for Confection Roll. | November | 114 |
| Baker Brush Co. | | |
| Open for inspection. . . and reseal for continuing protection; paint brushes in pressure-seal envelope. | July | 98 |
| Bamberger, L. & Co. | | |
| In-store cellophane wrapping of packages. | June | 219 |
| Banders. See Labeling. | | |
| Banding fresh produce; new method; The Denton Corp. (Dent-O-Rap wrapping machine). | November | 156 |

| | Month | Page |
|---|---------|------|
| BASKETS | | |
| Gift baskets for fruit (shipped by mail). | January | 119 |
| Handwoven baskets for spices and herbs; Hoff Condiments. | August | 101 |

BEADING

| | | |
|--|-----------|-----|
| Single-edge beader for sheet plastic; Taber Instrument Corp. | June | 165 |
| Beech-Nut chewing gum; printed foil for 5-stick wrap. | September | 123 |
| Beer. See Alcoholic Beverages. | | |
| Bent Bros. Bag Co. | | |
| Bags that save user both time and money; Wood Conversion Co. (Balsam-Wool batt insulation). | January | 107 |

BEVERAGES

| | | |
|--|-----------|-----|
| Cellulose-banded closures. | August | 79 |
| Cola in cans; Cantrell & Cochran Corp. | May | 203 |
| Flexible packaging. | January | 86 |
| Minute Maud concentrated orange juice; packaging and promotion history. | March | 86 |
| Orange juice (frozen concentrate) in a printed cellophane-polyethylene bag; Walgreen Drug Stores. | September | 110 |
| See also Alcoholic Beverages. | | |
| Bloomington Bros. | | |
| A folding set-up box? | December | 98 |

BOOK REVIEWS AND COMMENTS

| | | |
|--|-----------|-----|
| Cellulose: The Chemical That Grows. William Haynes. | July | 173 |
| The Chemistry of Lithography by Dr. Paul Hatt-sch. The Lithographic Technical Foundation. | November | 185 |
| Color Digest; Higgins Ink Co., Inc. | June | 206 |
| Conference on Self-Selection Packaging and Fix-turing. National Retail Dry Goods Assn. | July | 168 |
| Graphics. Walter Herdeg and Charles Rosner. | November | 187 |
| A Guide for Selling to the United States Air Force. | November | 182 |
| Hormung's Handbook of Designs and Devices. | September | 192 |
| 1953 Canners Directory; National Canners Assn. | August | 164 |
| 1953 Directory of the Variety Market; Variety Store Merchandiser (magazine). | July | 172 |
| Packaging Manual for Self-Service Meats; Good-year Tire & Rubber Co.'s Plottin Dept. | January | 160 |
| The Paper Year Book (11th annual ed.); David-son Publishing Co. | May | 172 |
| T. Penrose Adams (Vol. 47), ed. by R. B. Fishenden; Pellegrini & Cudaly. | April | 248 |
| Technical Data on Plastics (4th ed.); Manu-facturing Chemists' Assn. | December | 188 |
| Technology of Coated and Processed papers. Robt. H. Mosher, ed. | September | 192 |
| Booksellers. See Publishers and Booksellers. | | |
| Bounton Molding Co. | | |
| Circular carrier for take-home pack of styrene "Laureline" tumblers. | June | 110 |

BOOTS

| | | |
|--|---------|-----|
| Insert holds boots in place; packaging cowboy boots; H. J. Justin & Sons, Inc. | October | 108 |
| Borden Co. | | |
| Prefer insulated bags (not packages) for ice cream; consumer survey by Young & Rubicam. | August | 188 |

BOTTLE CLEANING

| | | |
|---|-------|-----|
| Air-cleaner attachment; addition to Feedomatic line of equipment; Biner-Ellison Machinery Safety feature on rotary fillers and air cleaners; U. S. Butters Machinery Co. | July | 138 |
| Specially designed air bottle cleaner for handling jars and other wide-mouth containers; U. S. Bottlers Machinery Co. | April | 169 |
| | April | 215 |

BOTTLES

| | | |
|---|----------|-----|
| Changing contours: round bottle vs. decanter type (Calvert Distillers Corp.); round pint vs. flat pint (Publizer Industries, Inc. and subsidiary Kinsey Distilling Corp.). | October | 128 |
| "Crown" bottles; Prince Matchabelli, Inc. | December | 104 |
| Labeling-cartoning teamwork; Wyeth, Inc. | June | 108 |
| Labeling irregular-shaped bottles; Bristol-Myers Palletizing, unscrambling device, packing at plant of Garrett & Co. (wines). | February | 81 |
| Single-rip soft-drink bottles; Foster-Forbes Glass Squeeze-type. See Polyethylene Bottles. | December | 123 |
| Stock half-gallon wine bottles with merchandising and re-use appeal; Owens-Illinois Glass Co. | July | 143 |
| Bow tyer producing prefabricated bows for decorative gift wrapping; Minnesota Mining & Mfg. Co. | December | 163 |
| | June | 170 |

BOX-MAKING MACHINERY

| | | |
|--|-------|-----|
| Box former with flexibility and range; Meyer-Clement, Inc. | April | 170 |
| Doubles speed of previous models; U. S. Automatic Box Machinery Co. (Model CM-2 Bright-wood). | April | 166 |
| Pneumatically activated box-folding unit designed to handle Higgins-style, self-locking, tray-type package; Gaylord Container Corp. | June | 180 |
| Boxes. See Folding Boxes and Display Cartons; Metal Containers; Plastics; Polyethylene; Polystyrene; Set-up Boxes; Shipping Containers; Transparent Containers; Wooden Containers. | | |
| Brands. See Trademarks and Brands. | | |
| B. Igeport Brass Co. | | |
| Bug bomb aerosol; development, use, production, promotion. | May | 94 |

| | Month | Page |
|---|-----------|------|
| Decals automatically on bottles of Kidnetics toiletries; Associated Brands, Inc. | December | 101 |
| Individual linerless ice-cream cartons (Frosty Packs) decorated with children's designs; Marathon Corp. | January | 144 |
| Minute Maid lemonade frozen concentrate; Supermarket packages of interest to children. | March | 174 |
| Tea for two; tea table and chairs made out of corrugated fibreboard box used for packaging toy tea set; Plastic Art Corp. of America. | October | 206 |
| Chivas Bros. Import Corp. | August | 97 |
| Scotch whisky carton with authentic Highland fling. | November | 110 |
| Christmas packages. See Gift Packaging. | | |
| Chunky Chocolate Corp. | | |
| Chocolate bars stay fresher in new transparent carton wrap. | November | 111 |
| Church & Dwight Co., Inc. | | |
| Arm & Hammer brand bicarbonate of soda goes to drug department. | March | 97 |
| Ciba Pharmaceutical Products | | |
| Two corks say 'stuffy nose,' counter display for Pristine Nebulizer. | August | 114 |
| Cigar Institute of America | | |
| Pass the cigars by mail; mailer package and greeting card. | February | 97 |
| CIGARETTES | | |
| Food store sales. | April | 276 |
| CIGARS | | |
| Good store sales. | April | 276 |
| Pass the cigars by mail; mailer package and greeting card; Cigar Institute of America. | February | 97 |
| Safeguards cigars out of humidors; individual glass tubes with polyethylene stoppers; American Cigarette & Cigar Co. (La Corona Crystales). | September | 124 |
| Cleaning Products. See Soaps and Cleaners. | | |
| Cliof Groves | | |
| Top-of-basket display; aluminum foil tray for top layer of citrus fruits. | August | 112 |
| Closing machines. See Sealing Equipment and Supplies. | | |
| CLOSURES | | |
| Aluminum foil cap for paper containers; Basca Mig. Co. (Econ-O-Seal line). | June | 182 |
| Atomizer with airtight closure (polyethylene screw cap); Sharp & Dohme. | February | 105 |
| Automatic cap tightener; Noring Machine Corp. | October | 146 |
| Capping machines. See Sealing Equipment and Supplies. | | |
| Christmas toppers of printed paperboard; James Thompson & Co., Inc. | May | 150 |
| Color identity dropper stopper; Higgins Ink Co. | October | 92 |
| Fabrication of ionized desiccants into bottle caps. | February | 198 |
| Heat-sealed vs. foil-lined. | September | 160 |
| New closure regulations in Uniform Freight Classification. George J. Keyes. | December | 145 |
| New uses for cellulose bands; shrink-type seals in new fields. | August | 77 |
| Overcoming loose cap liners. | May | 136 |
| Polyethylene lock-tie fastener for sealing and tying plastic bags; Ciba-Tie Corp. | July | 143 |
| Polyethylene caps for polyethylene collapsible tubes (cheese containers); Sue Ann Food Products. | September | 201 |
| Pressure-sensitive-bag closure technique (British). Resealable closure for plug-lid tobacco tin; American Tobacco Co. | March | 172 |
| Rosette insertion in shaving-soap mugs; Vi-K Chemical Co. | September | 109 |
| Shrink-type cellulose cap for glass toothbrush container; Weco Products Co. | April | 172 |
| Sliderless zipper (Flexite) for plastic bags; Flexigrip, Inc. | August | 91 |
| Stapled corrugated carton closures; Staplex, Inc. | June | 175 |
| Status of parenteral closure problems. John A. Elder, Jr. (Merck & Co., Inc.). | February | 134 |
| Vacuum closures for frozen food containers (metal cans). | December | 136 |
| Valves for aerosol contain is. | November | 89 |
| Vinyl-covered wire which makes an airtight closure for plastic or cellophane bags; Plas-ties Co. | December | 95 |
| Wedgwood corks mounted in urea plastic closure; Dorothy Gray. | November | 156 |
| | June | 107 |
| CLOTHING | | |
| Fluorescent gift wraps for wearing apparel; Joseph Maguin. | April | 144 |
| See also Haberdashery; Hosiery. | | |
| COATINGS | | |
| Coated cellulose sausage casing; Transparent Package Co. | March | 138 |
| Coating of metal cans. | August | 126 |
| Evaluation of heat-seal adhesives; laboratory procedures for applying test coatings; Harold Wittcoff and Dwight Peerman. | November | 135 |
| High grease-resistant coatings. | July | 136 |
| Laboratory for testing coatings on paper, foil, film, etc.; Dills Machine Works. | October | 175 |
| Low-cost strippable coating (Thermo-Cote D) offering protection agst. corrosion or abrasion of metal tools and parts; Plastics Div. of Ernst Biehoff Co., Inc. | August | 140 |
| Opaque aluminum coating on paper; method of application. | March | 124 |
| Plastic-coated papers; packaging uses for. L. F. Sweet (H. P. Smith Paper Co.). | December | 146 |
| Polyethylene-coated papers. | January | 86 |
| Progress in resin coating. L. M. Burgess and L. F. Sweet. | September | 151 |

| | Month | Page |
|--|-----------|------|
| Sheet-material requirements (unaffected by atmospheric changes; heat sealable, low cost). | February | 132 |
| Tensile strength in waxes. Roy T. Edwards. | February | 123 |
| Variance of polyethylene coatings. | July | 136 |
| COATS, J. & P. CO. | | |
| Polystyrene containers ("Tat-Its") prevent tatting threads from snarling. | December | 112 |
| COFFEE | | |
| Britain's Vac-Pac; applications of flexible vacuum package. | May | 110 |
| Cola in cans; Cantrell & Cochrane Corp. | May | 203 |
| COLLAPSIBLE TUBES | | |
| Collapsible tube closer; Perl Machine Mfg. Co. | October | 152 |
| Decorative designs for tubes. | January | 86 |
| Does statistical quality control used by a tube manufacturer benefit the tube user? Robert Mahan (A. H. Wirz, Inc.). | December | 135 |
| Food (cheese) in polyethylene collapsible tubes; Sue Ann Food Products Corp. | September | 201 |
| Polyethylene squeeze tubes. | January | 84 |
| RX Clinical Cream Shampoo; collapsible tube package standing on its head; Raymond (of Mayfair). | March | 105 |
| Vinyl plastic tubes; Wallace Container Co. | August | 130 |
| COLOR | | |
| Color control stressed in Ann Page (A & P private brand) labels. | October | 111 |
| Fluorescent silk-screen oil-base colors; Radiant Color Co. | October | 146 |
| Identifying color for Elsie Daisy milk cartons. | November | 93 |
| Labels for H. J. Heinz Co. products. | September | 108 |
| Measuring precise color difference by Gardner Color and Color Difference Meter. | July | 138 |
| Texas-Miller Hat Corp. vs. Switzer Bros., Inc. | April | 253 |
| Trend to fine-screen printing; color realism on packages. | June | 99 |
| Columbia University | | |
| Graduate course in package engineering. | September | 190 |
| COMPETITION | | |
| Packaging's growing role in the competitive market. Walter S. Driskill. | June | 136 |
| Condiments. See Food Packaging-Condiments. | | |
| Consolidated Packaging Machinery Corp. | | |
| Improved automatic cotton wadder of capsule or tablet bottles. | April | 168 |
| Container Corp. of America | April | 282 |
| "All-year gift package" assigned by Robert Moore. | October | 184 |
| Container outlook; effect of steel-labor dispute. | | |
| Contests. See Exhibitions. | | |
| Continental Can Co. | | |
| Booklet; Mold Counting of Tomato Products. | September | 190 |
| Bulletin; Engineering the Air Removal from Canned Foods. | September | 190 |
| Concan buys Shellmar Products Corp.'s flexible packaging business. | July | 188 |
| Motion picture film: The Story of Packaging. | April | 248 |
| Research Bulletin #31: Vacuum in Canned Foods Its Significance and Its Measurement. J. M. Boyd and J. H. Bock. | January | 160 |
| Tin mill product qualities required in motor-oil can manufacturing. Willard B. Eastman. | December | 134 |
| CONVEYORS | | |
| Conveyor belt (Griptop) operating up or down grades as steep as 55°; R. F. Goodrich Co. | May | 150 |
| Conveyor guide rails of Teflon-faced steel; Fluorocarbon Products Div. of U. S. Gasket Co. | July | 146 |
| A plant goes horizontal; move from multi-story to one-story plant. | September | 125 |
| Portable tripods for gravity conveyor sections; Speedways Conveyors, Inc. | October | 151 |
| Roller conveyor turntable for gravity systems; Lamson Corp. | September | 162 |
| Tray elevating conveyor; Cronin Machine Co. | August | 133 |
| Two-level conveyor completely circling shipping and storage areas; Garrett & Co. (wines). | December | 206 |
| CORROSION | | |
| Aerosol containers. | December | 97 |
| Conference on corrosion prevention. | February | 189 |
| Corrosion of laminations (aluminum foil to paper, then to heavy strapping). | May | 136 |
| Evaluation of bearing packages; long-term storage; The Timken Roller Bearing Co. | May | 127 |
| How VCI (volatile corrosion inhibitor) cuts costs; preservation packaging of Diesel parts. | December | 114 |
| Low-cost strippable coating (Thermo-Cote D) offering protection agst. corrosion or abrasion; Plastics Div. of Ernst Biehoff Co., Inc. | August | 140 |
| Military use of volatile corrosion inhibitor. | September | 131 |
| Precision-rolled stainless-steel strip or use in corrosion-resistant containers. | November | 154 |
| Trends in dehydrated packaging. R. H. Herrmann. VCI-lined cushioned bars to safeguard metal parts from rusting and corrosion; Jet-Pak, Inc. | April | 200 |
| See also Desiccant Packaging. | July | 138 |
| CORRUGATED BOARD | | |
| Greaseproof corrugated (Chippewa "Grade A"); single-face corrugated ("Chippaking"); Chippewa Paper Co. | June | 180 |
| See also Shipping Containers. | | |

COSMETICS AND PERFUMERY

| | | |
|---|----------|-----|
| Clever gimmick offer; Coty Air-Spun face powder and Coty Parisienne Vanity. | May | 103 |
| Double-wall poly for eye cream and mascara remover pads; Aziza Eye Cosmetics, Inc. | June | 105 |
| Gift packaging. | May | 86 |
| Health and beauty aids in supermarkets. | October | 89 |
| The little cosmetic package; trend toward smaller gift package. | November | 106 |
| Low-cost polystyrene case with mirror holds three lipsticks; Tussy Cosmetics' "Look See." | April | 147 |
| Miniature sampler perfume bottles of Prince Matchabelli, Inc.; bottom labeling; Vick Chemical Co. | April | 174 |
| Mobile display; Ar-Ex cosmetics. | November | 108 |
| Precision labeling machine helps solve problem of mass production and sales; The Solskin Co. | March | 92 |
